INVESTIGATOR'S NOTES

On Tuesday, October 11, 1988, I received a call from FBI Agent DALE KENT. KENT told me that he had some information that he needed to hand deliver to me. The information was concerning the two boys who were killed on the railroad track at Bryant.

I met with Agent KENT at his office. He gave me a piece of paper that was provided to him by former FBI Agent EARL SHAW who is now head of security for Stephens Inc.

SHAW received the paper from CINDY LEWIS, wife of Attorney R. DAVID LEWIS. Mrs. LEWIS had gotten the information from DONNA MORRISSEY, Paralegal-Secretary to R. DAVID LEWIS.

The information on the paper concerns four Pulaski County Deputy Sheriff's, KIRK LANE, J. CAMPBELL, KERI THOMAS, and DONNIE MADDOX.

There are physical descriptions following each name. There is an asterisk beside the name of KIRK LANE and J. CAMPBELL denoting "Most Dangerous".

Beside the name of KIRK LANE there is the notation "Kill the Bryant children being investigated".

After a physical description of J. CAMPBELL, there is the notation "Told DONNA he would rape her and her mother and (illegible) her dog".

A photostatic copy of this paper will be attached to this report.
